

*Spectro-photometric study of starburst galaxies – Wolf-Rayet galaxies*

Abhishek Paswan  
Ph.D. student  
ARIES, Manora Peak  
Nainital, Uttarakhand, India

*Brinchmann et al. (2008)*

- Star-forming regions and their morphologies
- Star formation rate (SFR) & starburst age
- Massive stellar population
- Chemical abundances
- Physical conditions
